National Workshop “ Understanding the New Process of Assessment and Accreditation of NAAC” held on 27/4/2018, organized by IQAC, Govt. College Hansi, Sponsored by RUSA& Higher Education Department, Haryana.

The event was graced by the elegant presence of the speakers, **Prof. Avinash Tiwari**, School of Studies in Botany, Jiwaji University Gwalior, **Dr. Archana Mishra**, Principal Govt. P.G. College Sector-1 Panchkula, also state Coordinator NAAC, **Prof. Karam Pal Narwal**, Haryana School of Business, GJU S & T Hisar and **Dr. Surinder Singh Kundu**, Department of Commerce, CDLU, Sirsa.

About 35 Colleges Principals and NAAC coordinators along with distinguished organizing committee members etc. have participated in the National Workshop to make it a grand success. The event started at 9:00 a.m. and registration desk was opened up to 10:00 a.m. The event was ceremoniously inaugurated with the lamp lightening by our chief guest and keynote speaker Prof. Avinash Tiwari, Principal Smt. Savita Mann and Workshop Coordinator Dr. Rajkumar.

The event was nicely anchored by Dr. Harsha , Organizing secretary of the workshop. A formal welcome address was presented by the Principal Smt. Savita Mann. The theme and objective of the workshop were addressed by Dr. Rajkumar.

Our expert and keynote speaker Prof. Avinash Tiwari delivered his lecture on the criterion of NAAC assessment and accreditation process. He gave stress on the proper documentation of all the activities run throughout the year in the college. After his lecture, he interacted with the participants and answer their queries and doubts.

The lecture in the first technical session was delivered by Dr. Archana Mishra on the Key inputs of seven criterion of assessment and accreditation (A&A) of NAAC. She encourage all the participants to involve and collaborate society members, NGO's to enhance the skill of students and to start capability enhancement and developmental scheme.

The second technical session lecture was started with the talk by Prof. K.P. Narwal on the Higher Education systems evaluation and feedback criterion. He depicted the real picture of higher Education Institutes. His main focus was the teaching learning environment in the higher educational institutes. His lecture was ended with the discussion with the participants.

The last technical session was started after the lunch break by Dr S.S. Kundu. His main focus was the detailing of weightage attached to the key indicators of all the criteria of A&A and SWOC (Strength, weaknesses, opportunities and challenges) analysis of the higher educational institutes. Before the conclusion of the lecture and workshop, question-answer sessions were also arranged and participants took actively participated in that.

The workshop ended with the vote of thanks by Dr Rajkumar followed by valedictory lecture based on the salient feature of the day with National Anthem, and the participants are requested to fill online feedback form of the workshop made available on their respective e-mails to have their suggestions and comments about the workshop.

The event was a collaborative success of all the faculties of IQAC of the college who were part of this grand workshop.
